## OBJECTIVE

Computer-Science diploma student with proven coding skills in Java, JavaScript & SQL, hands-on database and web-project experience, and a track record of rapid up-skilling (React, Node.js). Recognized for analytical problem solving, creative solution design and energetic collaboration in multilingual teams. Ready to translate academic knowledge into immediate, measurable value for your organization through robust software development, data-driven insights and a relentless drive to deliver user-focused, business-aligned technology solutions.

## EDUCATION

### Diploma in Computer Science | Tshwane University of Technology

2023 – 2025

- Relevant coursework includes Software Programming, Mobile Device Programming, Database Design and System Analysis.
- Actively participating in knowledge-sharing initiatives and projects to enhance technical expertise and stay updated with industry needs.

### National Senior Certificate | Curro Academy Soshanguve

2019 – 2022

- Strong academic performance with a focus on computer-related subjects.
- Main subjects include: Mathematical Literacy(Distinction), Computer Applications Technology, Business Studies.

## EXPERIENCE

### Junior Software Developer | Informatics Community Engagement Programme (ICEP)

JULY 2025 – DECEMBER 2025

Developed full-stack Smart Events platform to digitize TUT campus event management, handling venue bookings, registrations, and communications. Built ReactJS web features, React Native mobile pages and Node.js API integrations; led testing and Scrum Master role in MAISH Hackathon. Earned Top Frontend Developer certificate for prototypes and cross-platform work.

## SKILLS

- Technical Skills: Proficient in programming languages such as Java, JavaScript, HTML, CSS, SQL.
- Framework and Tools: Experience with React for building user interfaces and MYSQL for database management.
- Analytical Skills: Exceptional ability to analyze complex data and develop innovative solutions.
- Problem Solving
- Team Collaboration
- Good Communication Skills
- Proficient in Microsoft Office

## ACTIVITIES

- Projects: Complete various assignments demonstrating proficiency in Java, HTML, JavaScript and SQL.
- Knowledge in React and MySQL, showcasing a commitment to continuous learning and professional development.
- Languages: Fluent in English and proficient in other South African official languages, enhancing communication skills with diverse teams

## MAJOR CERTIFICATIONS

- [Oracle Cloud Infrastructure 2025 Certified Data Science Professional](#)
- [Oracle Cloud Infrastructure 2025 Certified Generative AI Professional](#)
- [Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate](#)
- [HackerRank SQL \(Intermediate\)](#)
- [Back End Development and APIs](#)
- [Oracle Cloud Infrastructure 2025 Certified Developer Professional](#)
